Spangled Banner

TAX LEVY THIS YEAR 13 MILLS

The City Council met in regular session Saturday night where the following resolution was passed:
Resolved that the tax levy be fixed at 13 mills as follows:
City contingent—5 mills.
Schools—2 mills.
W. Works, Sinking Fund 1 mill.
State Road—3 mills.
Library—1 mill.
Streets—2 mills.
Total—13 mills.
The irrigation committee reported that they had decided to convert Grove Creek water from the Power Company pipe back to the main channel of the creek. Same has been done and water is now running down main channel.

Interurban Car Wins Race

An interesting race occurred here Sunday. It was a race between the stork and an interurban car coming from Salt Lake. Mrs. Bertrum West rhoned early Sunday morning to Dr. Liebenbach, asking that he meet her at the station when the 9:30 car arrived. The race then started and had a thrilling climax. Old man stork got out by just twenty minutes, for in just that length of time after Mrs. West's arrival here, a 9 pound baby is just that length of time after Mrs. West's mother, Mrs. Bessie Wright. All are doing nicely.

WORK RUSHING ON HIGH SCHOOL BUILDING

The new high school building is 'going up' with some speed. After ten days on the brick work the first story is now practically completed. If the present rate can be kept up the building will be completed in the required time. It's massiveness and grandeur are beginning now to be seen. The ventilating system being installed will insure only the purest of air at all times in each class room. The large basement under the north-west corner of the building will be ample for the furnace and any other store room necessary. The high school tennis court, located just north of the gym, is being used daily by tennis fans.
Every available means to rush the building to an early completion is being used. Pleasant Grove brick is being used with a black mortar between them, which presents a pleasing appearance.

BIG TIME AT GENEVA ON THE 25TH

The people of the London wards and many others enjoyed Pioneer day at Geneva. The crowds estimated at 1000 people, assembled about 11 a.m. At 12 noon dinner was served; at 1 o'clock races and sports commenced. At 3 p.m. the Harris Dairy team of Salt Lake defeated the London team to a score of 14-16—the game was a lively one throughout and was enjoyed by a large crowd. After the game a children's dance was held in the pavilion, after which a delicious supper was had. At 9 p.m. the dance for the older people started, with the Provo band furnishing the music. One of the largest crowds that ever attended a dance at Geneva was present and a glorious time was had by all.

Brick Work Completed on New Garage

The brick work on the new garage being erected here is now nearly completed. The front is of fireproof brick, while the remaining portion is of local brick. The building is large and will have some fine plate glass along the front. It will add much to the looks of our town. It will be amply large to store cars during the winter, and will have a cement floor and roof and will be strictly fireproof. It will be equipped with all necessary equipment for an up-to-date garage.
It is expected that the building will be ready for occupancy within the next three weeks.

Miss Maxine Clark was entertained at the home of Miss Loraine Nelson Friday evening, prior to her departure for Texas. Twenty guests spent the evening in games, refreshments and dancing.

PIONEER DAY AT MUTUAL DELL

Many of our people spent Pioneer day in the canyon at Mutual Dell. A splendid program and good time was enjoyed by the 1000 people there. The traffic regulations worked perfectly and not an accident of any kind happened to mar the pleasure of the day.
The program started at 12 noon with luncheon. At 2 p.m. the following program was given with W. W. Warnick in charge: Community singing, led by Mrs. Ora Chipman; prayer by A. A. Anderson; violin solo. Florence Friday; remarks, Pres. A. J. Evans; song, Victor and Rulon N. clothes; remarks, Catherine Folsom and Emily Higgs, general board members of Salt Lake; dedication of the hut, Pres. S. L. Chipman; remarks, Jas. Chipman, Sr.; singing; prayer, Homer Reiser of Salt Lake.
Games and a base ball game furnished other entertainment for the crowds before returning home about 5:30 p.m.

CAMPING GROUND BEING DAILY USED

The camping ground near the high school building, which has recently been designated by the City Council, is being used daily by tourists. The grove makes a beautiful camping spot and is being used by a large number of cars and people. Every evening no less than 5 cars stop at the grove to spend the night and to accept of the splendid accommodations furnished by the city. The grounds are kept in splendid condition and the cool and shady atmosphere offers a tempting location which cannot be resisted by auto campers for the night.

Mrs. Richard Prince and sons Ray and Mark of Murray visited Monday with Ruth Archer.

Afton Decker of Bluff City, Utah and Joseph Kuriz of Montpelier, Ida., both homeward returning missionaries from Chicago, visited with Mr. and Mrs. Earl Smith here Thursday.

Kent Adamson, Paul Adamson, Marjorie Alfred, Winnie and Comorah Smith attended the dance at Vivian Park in Provo canyon Saturday evening.

Ora West and Mary Paulson are enjoying a week's visit in American Fork Canyon with Miss West's father, V. N. West, who is the forest ranger there.

Mr. and Mrs. Ed. Warburton and daughters Eva and Pearl of this city and Mr. and Mrs. Chas. Batty of Vernal are spending this week in Yellowstone park.

Arthur Barton of Garfield, who was visiting here with relatives, was called home on account of the sudden illness of his father, who went under an operation at St. Mark's hospital.

Mr. and Mrs. George Marvis and Mrs. Huldah Havvish of Salt Lake, were visitors Monday and Tuesday as the guests of H. E. Swenson and C. P. Warnick at Manila.

Harry Wadley, Jr., Howard Thorne and Wm. Nelson enjoyed a unique hike Sunday. They left here at 4 a.m. and went up to Silver lake and Deer Creek and then down to the Hut at Mutual Dell, up to Community Flat over the hills and around the north end of Mt. Timpanogos, over the Little mountain and home. They got back about 6 p.m. Sunday.

While the U. of U. students passed through our city in furniture vans Friday one of them was sitting on the top. As he passed near the Utah Power & Light office the wire across the street took his hat off. Had he been standing or a little taller he might have been killed. Those wires are too low for Main street and should be removed.

FARMS FOR EX- SERVICE MEN

On September 9th, 222 farms will be opened to homestead entry by soldiers of the World War, on the North Platte Irrigation Project, Wyoming, and one week later, September 16th, 57 farms will be thrown open under the Shoshone Project in the same state. About 19,000 acres of land are included in the two openings. For sixty days no one but soldiers of the World War will be permitted to make filings on these farms.

North Platte Project Lands

A decade ago the lands now included in the North Platte project were a vast range occupied by nomadic herds of cattle, but National reclamation has wrought a marvelous change in that section. The landscape is now dotted with hundreds of prosperous farm homes, and a hundred thousand acres are producing valuable crops of alfalfa, sugar beets, corn and potatoes. Numerous towns have been established and railroads have extended their branches to connect the valley with the country's great markets. Dairying has become a profitable industry. More than \$4,500,000 worth of crops were produced on the project in 1920.

Shoshone Project Lands

The Shoshone project, in the northwestern part of the state, lies in a region of great scenic beauty, and has a delightful and healthful climate and fertile soil. Like the North Platte project it has transformed the desert into a thickly populated and highly productive agricultural section. It is a fine dairy country, has a creamery and alfalfa meal mill. It is devoted to general farming.

Crops to the Value of Over \$1,000,000 Were Produced in 1920 on About 45,000 Acres.

Soldiers who are interested in the land are invited to investigate the opportunities offered by these openings. Detailed information concerning the farms and the method of obtaining them may be secured by writing to the Project Manager, U. S. R. S., Mitchell, Nebr., about the North Platte project, to the Project Manager, Powell, Wyoming, concerning the Shoshone opening, or to the U. S. Reclamation Service, Washington, D. C.

Mr. and Mrs. Bryant F. West and children returned to their home in Salt Lake Wednesday after spending the forepart of the week here visiting relatives.

American Fork Pleasant Grove

Mr. and Mrs. Roy Gardner, Edna and Glade Culmer spent Monday at Castella springs.

Miss Grace Foutz of Ogden spent the week with her cousin, Miss Grace Foutz, here.

Mr. and Mrs. Charles Carson and baby of Salt Lake are the guests of Mr. and Mrs. Fred Foutz.

Mrs. Pearl Larsen and Mrs. L. E. Adamson and family are visiting with Mr. and Mrs. C. P. Larsen.

Miss Ruth Page, a nurse at the L. D. S. hospital spent the 24th and 25th with her mother, Mrs. F. W. Page.

Miss Violet Larsen, a nurse at the L. D. S. hospital, spent the holiday with relatives and friends here.

Mr. and Mrs. Roy Gardner and Mr. and Mrs. Lorin Walker and baby spent the 24th at Liberty Park.

There was no half holiday celebration in Manila Wednesday on account of a previous holiday in the week.

There will be no afternoon meeting nor evening meeting held in the Manila ward Sunday on account of conference at Pleasant Grove.

Leo Wright returned home Monday for an extended visit after spending two years at Visalia, Calif., where he has been employed.

Mr. and Mrs. Lorin Walker and baby and Mr. and Mrs. Roy Gardner spent Sunday and Monday at Salt Lake.

Dolbert Fugal, Owen Humphries, Daisy Newman and Norma Weeks spent Pioneer day in American Fork canyon.

W. L. Hayes and family, Mrs. E. H. Halliday and daughter Dorothy, enjoyed July 25th at Mutual Dell in American Fork canyon.

Colonel and Mrs. Daynes of the Daynes-Beebe Co., of Salt Lake were the guests of Mr. and Mrs. E. T. Culmer Sunday.

Mr. and Mrs. E. T. Culmer, Glade and Edna Culmer returned home Friday after spending their vacation in Provo canyon.

Mr. and Mrs. L. Theobald, Mr. and Mrs. Leonard George and families of Salt Lake were the guests of Mr. and Mrs. Geo. Richards Sunday and Monday. They all spent Monday at Geneva.

H. L. Clark's

Mr. and Mrs. Ken Davis and children, Mrs. Daisy Stone and daughter Cora spent Sunday and Monday here as the guests of Bp. H. B. Warnick. Monday was celebrated by the crowd at Mutual Dell.

Word was received this week of the arrival of a baby girl a week Sunday at the home of Mrs. Mina Wadley Mickleson at Draper. Mrs. Mickleson will be well remembered as a former resident of this city.

George Peterson and Rex Burnham started to hike Sunday afternoon over the Little mountain and down into Mutual Dell. They somehow got off the trail and were lost for some time. Their flash light went out and they were forced to use only the moonlight as a guide. They finally reached camp at 1 a.m. Monday morning after some thrilling experiences.
